

2012 CONNECTICUT STATE SCIENCE FAIR REGISTRATION DEADLINES

- October 30, 2011 Last day to submit school registration on-line.
- November 15, 2011 Students unaffiliated with schools: Submit on-line registration with research plan and mail signed release form to Registration Chairman.
- December 1, 2011 Deadline for high school students (See Below*) to submit on-line registration.
- February 15, 2012, 8:00 PM Online student registration including research plan and release form due from registered schools. No registrations will be accepted after this deadline.
- February 15, 2012 All affiliated school fairs must be conducted prior to Feb. 15. Schools conducting Fairs near this deadline must insure that the on-line registrations and release forms for the students chosen to compete at CSF are received by Registration by this date.
- March 1, 2012, 8:00 PM Project abstracts must be submitted on-line by this deadline.
- March 13, 2012, 7:30 PM Project check-in completed and signed off by display and safety committee. Hall doors locked at 7:30 PM.

* High Schools and local fairs registered with CSF may request an extension beyond Dec. 1. that is no later than 10 days after their fair and prior to Feb. 15. Send an email to registration@ctsciencefair.org confirming your fair date and agreeing to review all projects in advance and submit those requiring prior approval to the CSF Scientific Review Committee by Dec. 1. Approval must take place before research begins or the project is ineligible to compete. Exception is for research conducted in a registered research institution setting. Fairs having Scientific Review Committees in place should contact the CSF Registration Chairman for instructions.

THESE DEADLINES ARE FIRM!
THERE WILL BE NO EXCEPTIONS FOR SCHOOL VACATIONS.
PLEASE PLAN AHEAD!
